

Voksenkollen Kurhotel, near Kristiania, 22/6. 1915
Here we are, since a week, my dear Kathleen;
probably for 4-5 weeks. - How are you going on
and do you have transatlantic pupils, and no English
I wondered if they would had seen you.

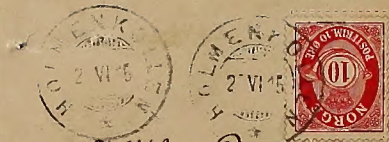

Voksenkollen Kurhotel.

Eschert & Co.
Mittel & Co.

Did you get the Concerto
by Kar Lavin and the
other music I wrote you
about? Impossible to
make any plans nowaday.
I read of your American
tour and in Kricharia you
are expected in September?
I hope to see you if there
is any chance but earlier
if possible. - Let love
from me. - Plain and hearty
Kisses from me. -
